HASLERJET ADDRESS PRINTER

HJ3600P

The HJ3600P is built for high volume production and durability. Ideal for high volume mailers, it offers superior print quality for text, graphics, and barcodes in five standard colors, along with highly flexible media handling capabilities. And the HJ3600P is a true PCL Windows™ printer, allowing you to use your existing list management

application. You can print directly to the printer with outstanding performance on any Windows platform computer. And with the HJ3600P, you'll also save time by eliminating the unnecessary extra steps associated with importing and exporting files.

The HJ3600P provides many valuable features:

- Compatible with all USPS® approved list management applications
- Large registration table with long registration guides
- Triple vacuum track and adjustable transport belts
- Built-in capping station with fixed head technology
- Prints up to 26,000 No. 10 envelopes per hour
- HP inkjet technology

**Get professional appearance
and powerful performance
from Hasler's HJ3600P**

HASLER

HJ3600P

HASLERJET ADDRESS PRINTER

6 Fixed Print Heads provide design flexibility and large print area up to 3" x 20".

Envelope Design Software allows for improved graphics and a more professional look.

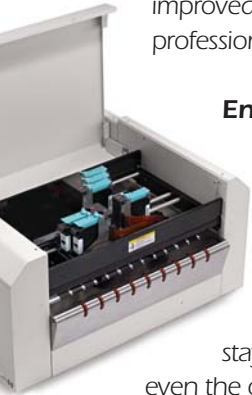

Enhanced Graphics include True Type fonts, indicia/logo printing, spot color capability.

Print Enhancement Technology assures that print head nozzles stay open and ready to print to ensure even the occasional accent mark is sharp and readable. Built-in capping stations keep cartridges fresh when not in use.

USPS® Approved CASS/PAVE software is compatible with all HaslerJet Address Printers and ensures maximum postal discounts.
