## UNPRECEDENTED VALUE WITH HASLER'S VERSATILE WJ110.

Do you dread the tedious task of processing your office's outgoing mail? Hasler's WJ110 is your solution. Designed specifically to eliminate the hassles involved with everyday business mail, the WJ110 is an easy-to-use, medium volume, cost effective mailing system. It is both compact and quiet, making it ideal for the small or mid-sized office. With the WJ110, you can track your mailing costs and eliminate overpaying on postage. You can even create and save your most repetitive jobs, which makes machine operation simple for even the casual user.

Meter Tape

## THE WJ110'S ADVANCED FEATURES WILL SAVE YOU BOTH TIME AND MONEY

With the WJ110 you can process up to 110 letters per minute. You'll save time thanks to a number of features including the capability to do differential weighing. Imagine quick and accurate weighing and metering of everything from single business envelopes to large packages all at the same time. There's no time wasted with sorting various sized mail. Differential weighing does it all for you in one easy step. In fact, the WJ110 provides up to 300% faster processing time over conventional weighing methods, which means all of your mail is now handled quickly and with complete ease.

Automatic Moistener

The WJ110 even allows for accurate cost tracking and report generation of 50 departments and is scalable to meet your business growth needs. Plus, you'll never worry about finding time to run to the post office again. The WJ110 provides the ability to easily replenish postage funds with a quick download via Hasler's Telemeter Setting® (TMS) service.

Hasler's WJ110 works with the full range of Hasler postal scales and weighing platforms.

## THE WJ110 OFFERS A PERSONALIZED APPROACH TO EVERYDAY MAIL JOBS

Now you can improve the look of all your outgoing mail with customizable advertising dies. Great for last minute marketing campaigns or adding that special touch to otherwise bland-looking business mail, the WJ110 comes complete with eight mail class dies and eight pre-loaded ad dies plus the ability to load two additional customizable ad dies. That's more than our closest rated competitor. And, unlike our competition, the Hasler WJ110 also has five user-programmable text messages so you can print a customized message on your mail. You can use "Omit Date" for certain classes of mail and "Date Only" can help you prioritize important, time sensitive inbound mail such as invoices or other legal correspondence.

### Imprint Samples

### The WJ110 is easy-to-use, reliable and affordable!

**Save money on ink refills.** Our high capacity ink cartridges yield more imprints at a lower cost per imprint. In fact, you can count on over 140% more impressions than our closest competitor.

**Save time and increase productivity** by folding, inserting and metering your mail all in one pass when interfaced with Hasler's line of folder/inserters.

**Apply exact price postage** with the integration of Hasler's full line of scales and weighing platforms.

**One-step processing** thanks to technology that automatically moistens your envelopes and adjusts for thickness.

**Great for offices with multiple users,** you can secure your system's funds with 4-digit PIN password protection.

**Eliminate hurried trips to the post office** by electronically replenishing postage funds with Hasler's TMS service.

**Eliminate the need to manually feed individual meter tapes.** With the automatic tape dispenser, you can program up to 99 labels at the touch of a single button.

**Ensure a clear, crisp, no mess imprint every time** thanks to HP inkjet technology.

**Meet government standards** for digital meters with USPS® IBI compliant indicia.
